SEIIA Digitalization Summit 2027

Offer for exhibitors

Take the opportunity to meet the process industry during a full day of lectures, talks and networking meetings! SEIIA offer a limited number of exhibitor spaces at our mini-fair. The conference will be held at Scandic Star in Sollentuna on February 2nd 2027.

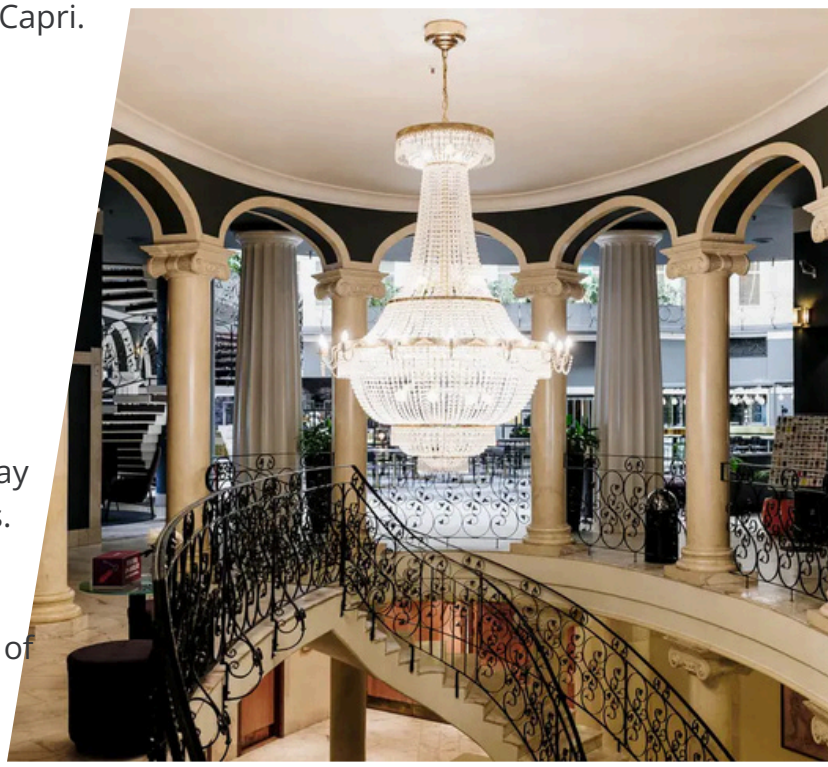
Our offer to you

Booth location

Booth location, a rectangular table 120x40cm and an electrical outlet. The exhibition takes place on the balcony in the lobby or in Capri.

Participation for two people

In addition to the exhibition space, the conference includes lunch, coffee, mingling and dinner for you and a colleague.



An active participation

We begin the program at 09:30. The schedule includes lunch, a coffee break, and networking, and we conclude the day with a joint dinner with ITF Automations. You will meet the other participants during the breaks and have the opportunity to give a brief presentation of your company on stage.
